## Nancy McCarthy
Managing Partner and Chief Operating Officer
Global Financial Services

### Biography

Nancy McCarthy is a managing partner and chief operating officer in the Global Financial Services group. In this role, she is helping to drive the development and execution of the company's go-to-market strategy in financial services. She has also been named Theatre Leader for North America.

She joined Unisys from CSC where she was leading the Capital Markets sector for the Financial Services Group. Ms. McCarthy also led multiple Business Process Outsourcing relationships in the insurance sector for CSC.

Ms. McCarthy has over 20 years of experience in both sales and delivery of technology services and solutions. She brings to Unisys a track record of success in building and running a global consulting, outsourcing and systems integration practice.

### Education

■ Bachelors degree in Classics from Trinity College in Hartford, CT.
